Division of Forestry Resources

District Foresters are professionally trained foresters employed by the Department of Natural Resources' Division of Forestry to assist private forest owners with the management of their forestlands. This is accomplished through the administration of incentive programs such as the Classified Forest program and cost share assistance programs to implement forest stewardship practices. District Foresters also provide professional technical advice on timber harvesting, tree planting and other forest management activities. To arrange a woodland consultation contact your District Forester by e-mail, office visits or telephone.

Other Resources

Local Soil and Water Conservation Districts may sell seedlings. Check your local telephone directory or call the ISWCD main office at (317) 692-7325 for the phone number of your local SWCD office.

Private Nurseries

Private nurseries sell bare root seedlings.

The membership listing on the Indiana Nursery and Landscape Association Web site (www.inla1.org) can assist in locating a private nursery. The IDNR nursery program at (812) 358-3621 maintains a list of private nurseries that provide bare root seedlings for conservation plantings.

OUR MISSION

To grow and distribute to landowners high quality plant materials for conservation plantings. Conservation plantings include plantings for timber, wildlife, windbreaks, soil and water protection, reclamation, carbon sequestering, and education.

QUALITY

We produce the highest quality stock that our knowledge and resources permit. We produce a diverse group of species from the best seed sources available, which includes progeny tested seed orchards. We mix all seed lots to ensure that each customer receives the highest quality and most diverse stock available.

IDNR Nursery Program P.O. Box 218 Vallonia, IN 47281 (812) 358-3621

IMPORTANT INFORMATION 2006 - 2007 SEASON

By purchasing seedlings, you agree to plant them for conservation plantings as stated in the Nursery Program mission. Plant materials cannot be redistributed or resold for profit. If seedlings produced by our nurseries are to be given away, the buyer must conduct an education program stating the Nursery Program mission prior to distribution of the seedlings. Buyer agrees not to submit duplicate orders for the purpose of gaining advantage in the lottery. If you are consulting with a forester or tree planter, please be sure that only 1 order is submitted.

1. October 20th by 4:00 pm E.D.T. (3rd Friday in October) is the deadline for submitting an order to be processed in the lottery. Phone, fax, and mail orders are accepted (no email orders, please).

You do not need a credit card to place an order by phone. The order must be directed to:

IDNR Nursery Program P.O. Box 218 Vallonia, IN 47281

Telephone/Fax: (812) 358-3621 • (812) 358-9033 Business hours are Monday through Friday 8 a.m. to 4 p.m. at each Nursery in its local time zone. After hour and weekend order pick up is available, call for further information. We are closed on all state holidays.

*Please contact nursery for current time zone/hours of operation.

- 2. The lottery is a computerized random drawing. Orders received by the lottery deadline have the best chance of being filled. Orders received after the lottery deadline are processed on a first-come, first-served basis.
- 3. Do not send payment with your order. If your order was processed in the lottery you will receive an invoice by the end of the first full week in November. If you submitted your order by the lottery deadline but do not receive an invoice by the first week in November, please call (812) 358-3621 to make sure that we received vour order.
- 4. If your order was received after the lottery deadline, you will receive an invoice approximately 2 weeks after we received your order. Please call (812) 358-3621 if you do not receive an invoice within this time period.
- 5. Your order will be cancelled if not paid by the due date on the invoice.
- We accept VISA, MasterCard, personal checks, cash, and money orders. Credit card payments can be made by phone or by listing the information on the invoice. Please do not send cash through the mail. There is a \$20.00 returned check fee.
- 7. If you are using a claim voucher or purchase order, we must receive the correct paperwork by the due date on the invoice.
- 8. There is a \$10 (non-refundable) order processing fee for each order.
- 9. For shipping by UPS, the charge is \$16 per 100 seedlings, 50 Select Line seedlings, or one packet. We cannot guarantee delivery by a specific date.
- 10. March 1st is the last day to cancel an order and receive a refund.
- 11. April 1st is the deadline for changing method of shipping or nursery pick-up location.
- 12. Shipping season runs from late February through May, depending on weather. We start shipping to southern counties first and move north as the weather warms. We will send a post card when your order is ready for pick-up or is being shipped. If you need seedlings before you receive a post card, call the nursery that will be shipping your order (see bottom of invoice for nursery).
- 13. New this year Our Select line of seedlings. Black Walnut, Red Oak and White Oak seedlings from our top performing seed orchard trees. The parent trees have been selected for their superior growth and form characteristics. Hybrid Butternut seedlings are a naturally occurring hybrid between Native Butternut and Japanese Walnut. These trees have many of the same characteristics in growth, form and nut production but appear to have a much higher level of resistance to Butternut canker.

Select Line

Selections made from phenotypically superior parent trees. Selections made due to their superior growth and form characteristics. Irees are contained in thinned orchards.

In the event of a crop failure species may be substituted.

GUARANTEE

Seedling losses can result from adverse weather and many other causes beyond our control therefore we do not guarantee seedling survival unless we determine that losses occurred due to our handling procedures. If seedling losses occur after planting, please contact us within the first 30 days so that the cause can be determined.

Information concerning the mature size and recommended use of these species can be obtained by contacting either nursery or from the "Tree Species Information" on our website at http://www.IN.gov/dnr/forestry
